DEMOCRATIC

Democrat's Elect Governor And Four Congressmen

MAY HAVE LEGISLATURE

Portland, Me., Sept. 12—Maine went Democratic to-day. It Elected Frederick W. Plaisted, of Augusta, a Democrat, as Governor; upset the hitherto solid Republican congressional delegation in at least two and possibly all four of the districts and to the surprise of the political leaders, Democratic as well as Republican, the returns late tonight indicated the possibility that the next State Legislature will be Democratic. The Senate will surely have a Democratic majority. The House complexion is in doubt.

Returns from all but forty-eight of the election districts of the state showed a plurality for Plaisted for Governor of \$,500.

The missing districts are nearly all in remote parts of Aristook county and in outlying islands along the coast.

TRIUMPHANT

TOBINSPOUT

Takes An Interesting Game Of Base-ball From Hardinsburg And One From Cannell-ton

In a listless contest Saturday afternoon on the Pumpkin Roller lot across the Ohio the Hardinsburg Base-Ball team went down in defeat to the tune of 5 to 3. The pumpkin Rollers played their same old game on the home lot and when a batted ball would hit the ground they knew where it would hit next and were there and as a consequence, the winner was thrown out. It would have been Hardinsburg's game probably as Schlemmer, their pitcher struck out ten men but did not have any support.

O O O

The game Sunday between the Cannell-ton team and the small Pumpkin Roller team resulted in a victory to the Tobinsport boys. The score was 6 to 1.

The Race For Governor.

Our readers will recall without much trouble our often expressed determination not to take active partizan part between candidates for democratic nominations, or do we intend now to do so but there being so many peculiar situations developed and so many extraordinary things done, we feel that our readers are entitled to know what is going on.

The race for the nomination is now between Wm. Addams, of Harrison county; Ben Johnson, of Nelson county; W. O. Head, of Louisville; John K. Hendrick, of McCracken, and ex-Governor McCreary, of Madison county, and was proceeding in a most satisfactory manner until the Veteran McCreary came into the race as a compromise candidate, but instead of bringing peace he has raised a row.

Coming as the special entry of ex-Governor Beckham, Mr. McCreary's entry has brought forth the following statement, which we publish to show our readers what is thought of his candidacy:

"Ex-Senator McCreary has announced his candidacy for the Democratic nomination for Governor of Kentucky, notwithstanding the fact that only a few weeks ago he said he would go no further than accept the nomination if it were given to him. He based this attitude upon the ground that forty years in office was enough to ask of the party. More than this, when he was defeated for a re nomination as United States Senator by Beckham—when he himself realized that his political service was at an end in the ranks of the Democratic party, he bolted and tried to be elected United States Senator over Beckham, who had defeated him for the nomination.

Everybody in Kentucky remembers how two years ago, McCreary sought to be nominated in the primary; and everybody remembers how he remained a candidate before the Legislature, and how many times he got bolting Democrats to vote for him upon ballots when the votes gotten by him would have elected Beckham; and everybody remembers that McCreary continued to run, coupled with Bradley, until Beckham was defeated; and everybody remembers that in a speech made by Beckham at a banquet at Frankfort, just after his defeat, that he (Beckham) said:

"My opponent (McCreary) in the primary bolted my nomination and aided in my defeat."

This speech was made on March 12, 1908.

Besides this, everybody remembers that Beckham charged in many speeches he made in the campaign between him and McCreary, that McCreary was the candidate of the whisky ring. Now comes Beckham and Percy Haley to urge McCreary's nomination for Governor. Is this because "bolting" the Democratic ticket is less offensive to them since they themselves have become "bolters"?

Let us not, in passing, fail to remark upon another Beckham change of front in his opinions as conditions changed. He and the lamented Goebel went into office as the result of a popular uprising against the Louisville & Nashville Railroad Company. Beckham went so far as to lay at the door of that company a large part of the damning conspiracy by which Goebel was assassinated. Let us not forget that Beckham went into office under those conditions, and that he came out of office, and is now the

SCHOOL OPENS

With Enthusiasm On The Part of Teachers, Pupils And Parents--Large Enrollment.

The opening of the Cloverport Graded and High Schools Monday morning was one of great encouragement to the teachers. A large attendance of pupils and their parents were present.

Rev. Dillon, Rev. Farmer, Marion Weatherholt, Mayor Barry, V. G. Babbage, Julius Nolte, Wm. Pate and W. G. Hardaway were the men who had the interest of the school at heart and showed by their presence that they intended to do all in their power for the good of the institution.

The new rooms are splendid; the lower one will be occupied by the pupils of Miss Eunice Jennings and the upper by Prof. Tanner's classes. Prof. McCoy, Miss Hendricks, Miss Wroe and Miss Mitchell have the other rooms which are cleaned well and far more comfortable than ever before.

Two hundred and thirty pupils were enrolled.

School Notice

The Public School in the Cloverport Graded Common School District No. 1, will open on Monday, September 12, 1910. The new addition to the school building is nearing completion, and with it there will be ample room for the accommodation of all white children of school age in the district.

The Board of Trustees earnestly urges all parents and guardians in the district who have children between the ages of six and twenty years, the importance of their co-operation with us in having one of the best schools we have ever had, by having a full attendance as is possible to have.

Encourage your children to go to school; give us the attendance and your support and we will see that you have a school that any district would be proud of.

Heretofore the practice of a number of scholars being excused at 11:30 in the morning for the purpose of carrying dinners, etc. has been a source of great annoyance to the whole school, and besides it makes it almost impossible for those so excused to keep up with their grades and to overcome this, the board has decided on the following hours for opening and dismissing:

Opening 8:30 a. m.; noon recess, 11:30 a. m. to 1:00 p. m.; dismissal, 4:00 p. m. These hours will give all ample time who have to carry dinners; and the different teachers have been instructed to accept no excuses during the regular school hours for this purpose or any other in their judgment not justifiable.

Especially attention is called to Sec. 4521a, Ky. Statutes, which requires all children between the age of seven and fourteen years, not being physically disabled, to attend some school in the district during each term. Heretofore this district has not had sufficient room to enforce this law, but this year having ample room, the board will be liable to fine if they do not enforce; and each parent or guardian is also liable for each offence in case they fail to send their children in accordance to the law under the above section.

The Board hopes to not have to enforce in a single case, but with this warning, any parent or guardian having a child between the ages named found negligent, will have to abide by the law, which, it is the Board's intention to enforce to the letter.

John A. Barry, Chairman.
Marion Weatherholt, Secretary
Board of Trustees, Cloverport Graded Common School District No. 1.

As Many a Cloverport Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

People in this vicinity testify to this. R. G. Pendleton, Owensboro, Ky., says: "I suffered severely from disordered kidneys, pains and lameness in my back and frequent headaches. There was also a stiffness in my neck and the kidney secretions were, unnatural and irregular in passage. I could hardly work and felt tired nearly all the time. I at length procured a box of Doan's Kidney Pills and while I have not taken them strictly according to directions, they have given me great relief. Doan's Kidney Pills have my highest endorsement."

IMPRESSIONS

Of An Old Timer--Rev. S. C. Bates Writes Of His Visit To Breck-ridge This Summer.

Dear Mr. Babbage:—Having reached home after such a delightful visit to the old home, I think I will ask you, through your valuable columns, to convey a few thoughts to my friends. It has been a good many years since I have spent as long a time in the county and I have never enjoyed a visit more thoroughly than I did this one. There were some sad things. Some of the old friends are gone. Dr. Newsom, John Keith and my step-father, Samuel Muffett, had always been there when I made my visits. The men of their generation are not many now. A. R. Fisher is the only man in the same business that he was in when I left Cloverport in 1872. I spent a longer time in the old home than I had since I left it a boy. The old house never looked so well as it does now, and the kindness shown me by John Jennings and his family makes me understand why Breckenridge County has always been famous for its good homes, and its generous hospitality.

I had a picture made of the old home, which I hope to keep as long as I live. And I started a movement that I hope will result in keeping the family burying ground in better condition. The two best improved farms of my boyhood memory were those of my grandfather, Ben Bates, and of Mr. John Hardin. Both have fallen into such decay as to be scarcely recognized, but many other places have been improved in appearance.

The Masonic Barbecue was a delight. I had not been to any large gathering in the old town since the old fair on the hill, which can only be remembered by the oldest inhabitants. The barbecue was a success in every way, especially in the feature that appealed to me, that of bringing together old friends. I met boyhood companions whom I had not met for years, and may never meet again. It was worth the cost of the trip to see two such splendid old people as uncle Willis Noel and his wife. They have certainly learned how to grow old gracefully, respected and loved by all who know them.

I have not often had a real vacation, but I feel already a longing to get back for another summer's rest, meeting the old friends, walking over the hills and catching the bass and bachelor out of Clover Creek. Sincerely Yours, S. C. Bates, Marion, Ohio, Sept. 6, 1910.

Big Prices For Mules

At Boughman's big sale of mules in Lincoln county last week, all records were broken in prices paid for mules. A sucking mule colt at it mother's side brought \$265. Mr. Baughman's three year old horse mule, "Roman Nose" brought \$395. A mare mule brought \$350. The total sum says the Interior Journal, of the Baughman sale was \$20,000.

These sales ought to be encouraging to mule raisers in this county. What is done in Lincoln can be done in Breckenridge.
